Stingers visit Scotland 79/80

STINGER RECORDS

Concordia Stingers
Good Hockey
Ambassadors

I have been privileged to be involved in the Great Britain Open Challenge Cup which was held at Dundee, Scotland.

Canada was represented by the Concordia Stingers of Concordia University in Montreal, Que., who went on to win the competition by beating the Dutch National team 4-3 in the process. The players' performance on the ice and their conduct off the ice has won Canada many friends and admirers.

If Prime Minister Trudeau is looking for ambassadors for his great country he need look no further than the Concordia Stingers.

CONCORDIA UNIVERSITY

Concordia University was created in 1974 out of the merger between Loyola of Montreal and Sir George Williams University. Now the university enjoys two distinctive campuses with the Loyola Campus in a pleasant tree-lined area in west-end Montreal and the Sir George Williams Campus located in the urban environment of downtown Montreal.

Concordia offers eight degrees in Arts, Business Administration, Commerce, Computer Science Education Engineering, Fine Arts, and Science in 57 disciplines. It also has a graduate school.

It is characterized by personalized, student centered education and easy rapport among students, faculty and administration. Concordia has obtained a balance between a friendly informed atmosphere that respects a student's individuality, and a well equipped educational institution with an academic program that is recognized throughout Canada, the United States, and Europe.

80/81 SUMMARY

The 80/81 season was another great year for the Stingers. Concordia dominated Quebec College hockey even though the majority of the team was made up of second year players. The Stingers went 26-1-1 in Quebec Conference play but felt the absence of more experienced players in non-league and tournament competition, where they recorded a 10-9-1 mark. They were 4-2-1 against U.S. opponents including a tie and an overtime victory against the number 1 ranked ECAC team, Clarkson.

GRADUATION LOSSES (5)

All-Canadian centre Doug Feasby will be the Stingers biggest loss. Doug holds the record for most points in a season (114). He will attend the Detroit Red Wings training camp. Other losses include goaltender Doug Dragasevich, defenseman Kevin O'Neill and forwards Kim Elliott and Steve Young.

RETURNING LETTERMEN (14)

The Stingers will boast 8 juniors in their lineup this year, including potential All-Stars and captains Gilles Hebert and Mike Walker. Mike Piano, 6'3" winger will be expected to lead the Stingers scoring attack after returning from the Winnipeg Jets training camp. Other outstanding players include centre John Sliskovic, wingers Brian Taylor and Rick Donato and defensemen Derek Watt and Mike Elwood.

OUTLOOK & SCHEDULE

It looks like the Stingers will face a much tougher league in '82 with Ottawa, Three Rivers and Laval coming on strong at the end of the '81 season. Non-conference opponents include Cornell, Clarkson, Canadian Champion Moncton, Toronto, Queens and Alberta. In addition, Concordia will play host to the 1st Montreal Cup Tournament in November, which will include 12 of the top teams from Canada and the U.S. The final will be televised from the Montreal forum. Look for the Stingers to return to Scotland in April to defend the British Challenge Cup won last year.
